OUTCAST

FEBRUARY SERMON SERIES

Have you ever noticed that scripture has a lot to say about love? Jesus talks about what love should look like and how we are called to love. Yet there are plenty of people in scripture that seem to miss these teachings. There are many people in scripture that are treated as outcasts and untouchables, those that it is ok to not love. Join us in worship as we look at the untouchables in scripture and how we are called to love those who seem unlovable.

**"Do not be anxious about anything, but in every situation,
by prayer and petition, with thanksgiving,
present your requests to God."**

Philippians 4:6-7

The first time that Sabrina and I moved as a married couple, it was nerve-racking. I was serving at my first Student Appointment while working my way through my undergraduate degree and then starting seminary. During that time, Will was born and shortly before we were set to move to a new appointment, Wesley was born. Sabrina and I had moved before, but this time was different. Now instead of it just being the two of us, we had a family to contend with. We had a 2-year-old and a barely two-month-old. To say anxiety was high is an understatement. Change is hard. Uncertainty is harder. Change and uncertainty when it involves someone or something you deeply care about can almost be crippling. I would love to be able to say that we handled the move well. I would love to say that Paul's verse in Philippians helped to ease our anxiety, but it didn't.

The anxiety was there and there was no denying it, but looking back I can now tell you that while change and uncertainty are hard, making it to the other side of the first move has helped my perspective greatly. We made the move and as we settled into the new house and new way of life, I discovered that while it was different, we were ok. It was much easier to understand the words, 'Do not be anxious', when we had lived to see the other side. But the faithfulness of God during my period of uncertainty during our first move has helped with every other change I have experienced since then. Seeing God move in my life in the past helps me to see that God is working even into the future when I don't always understand it.

There is a great deal of anxiety about the future of the United Methodist Church right now. News stories are seemingly making the future look bleak and grim for a denomination and a church that many of us have grown up in and call home. There is a great deal of change and uncertainty in the future and we are feeling that pressure. General Conference meets in May and at that time, the future of the church will be decided. There will be nothing official until that point which means we have a few more months of waiting.

But as we go through this season of anxiety and waiting, I would encourage you to look back to those times in life when God delivered and provided in ways you did not expect. Think of times when God eased your anxiety and was present with you. As you think to those moments, remember that the same God that was present before, is present in our future. Give your anxiety to God and believe that even in uncertainty, God is still God and is still leading our future.

Respectfully and thankfully,

Rev. Benjamin Bagley

Sr. Pastor

3 CHILDREN

ELEMENTARY SUNDAY SCHOOL

The older kids' Sunday school classes and children's church will be all about love this month! All throughout the Bible, the writers of Scripture remind us that God is love. From the creation of the world to God's relentless pursuit of us, God has shown time and again that love is most important. Even though we've all sinned, God loved us enough to make a way for us to have a forever relationship with Him. The Gospels are full of moments where Jesus prioritized love above all else, especially when He summed up the greatest commandment with: Love God and love your neighbor as yourself. Jesus made this real when He showed us how much God loves us by sacrificing His life for our sins.

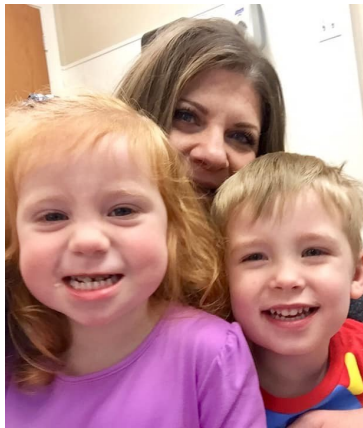

Memory Verse

"This is love: not that we loved God, but that he loved us and sent his Son as an atoning sacrifice for our sins."

1 John 4:10 (NIV)

MAKING A LASTING IMPRESSION

Mr. Ferguson was a great Sunday school teacher! I was in the fifth grade Sunday school class at a Methodist church in Longview and I will never forget him. Mr. Ferguson had qualities about him that showed me God's love. His heart for God was shown by his love for people and his dedication to all the children in our Sunday school class.

We also have amazing children's teachers just like my childhood one here at St Luke's who make a difference in our children's lives. Carolina Bryant, SyRena Witt, Debra Maloch, Celia Mooney, Emily Mason, David Mason, and Dalton Mason are such a blessing to our church in our children's department on Sunday mornings! If you would like to join our Sunday school teacher team, just let me know. We are always needing people who love children and love God. You can make a difference in a child's life too!

- Niki Chowdhury

PRE-SCHOOL SUNDAY SCHOOL

We want to welcome our preschoolers and Kindergarteners ALL ABOARD on Sunday mornings! We will be learning that Jesus loves everyone, and He wants everyone to come aboard and be His friend forever. When we look at the kind of friend Jesus was while He was on earth, we can see that Jesus truly does love everyone. Throughout the Bible, we find accounts of the times when Jesus loved those considered unworthy and wanted to be their friend—no matter what.

Bottom Line

Jesus Loves Everyone.

Memory Verse

"Love each other as I have loved you."

John 15:12

JR HIGH YOUTH

In February, the Jr High Youth's series will be "Worth Repeating". This series focuses on Jesus' words from the books of Luke and Matthew. Our memory verse is "Jesus answered, I am the way and the truth and the life. No one comes to the Father except through me." JOHN 14:6 NIV

SR HIGH YOUTH

The Storyteller

Everyone loves a good story! As you know, there's no better storyteller than Jesus. We'll spend our Sunday school time and Wednesday evening Bible study looking at some of His most memorable words and parables to learn more about who Jesus is, what God thinks about us, and how He wants us to live our lives going forward.

FLAMINGO FUNDRAISER

The flamingos will again be returning to Kilgore this month. They are scheduled to roost in yards around town from February 23rd-March 8th. These flamingos travel in flocks and are highly territorial and should only be removed by trained relocation experts. The great news for you is that the youth of St. Luke's are experienced in flamingo relocation.

If the flamingos roost in your yard, you can contact Misty (903-240-4609) or Niki (903-235-9401) to make a donation and have the flamingos moved to another yard along their path of migration. Flamingo Protection Insurance will also be available to purchase for \$25 to ensure that your yard is not on the migration path.

This fundraiser is all in good humor and the proceeds will go toward summer mission trips and church camp for our youth.

FLAMINGO PROTECTION INSURANCE

To ensure that your house is not on the flamingo migration path, please fill out this form and return it with your payment of \$25 to the church office.

5 WORSHIP NEWS!

NEW SOUND AND MEDIA SYSTEM IN SANCTUARY

On December 26-27, Mundt Music installed our new audio and media systems, replacing our broken 1998 sound system and temporary media set up.

The church staff and Board of Stewards worked hard on the specifications and funding for this project. All the components are paid for through our endowments. What a great testament to the power of giving to the church through funding endowments for future needs and ministries! Many of these funds were given in the wills of our past members. Something to think about for all of us present members!

We have already been given a lot of positive feedback about how much cleaner the front of the sanctuary looks, without all the extra equipment in the handicap seating and by the bannister. Even more positive are the comments of those no longer being blinded by the projector as they walk in from the hallway! One member liked the two screens because "someone would inevitably sit right between me and the screen" when we had one. Many members have commented on the better brightness of the new projectors. We have even had to change some of our backgrounds to accommodate this new feature. We can use darker backgrounds behind text now and not lose background detail. This will allow for easier text reading as the presentations adapt.

The new digital sound components replaced our 1998 analog sound board, equalizers, gates, compressors, and floor outputs. Multiple heavy copper wires were replaced with a single cat6 network cable.

The new media components included two ceiling mounted laser light source projectors and a new switcher. The laser light sources mean that we will likely never have to replace the lights in the projectors, saving us labor and scaffold rental in the future. The white color of the projectors blend them into the ceiling color.

The two Optoma projectors up and out of our eyes.

Our new Yamaha TF-5 digital audio board with laptop and wireless mic rack in the balcony:

Some of the copper cabling no longer needed in the new system:

SERVE WEEKEND

Saturday, February 22

(9:00am-12:00pm)

Sunday, February 23

Lunch - 11:30am

'Share His Grace' are words that have helped to drive this congregation outside the walls of St. Luke's and to serve in the community around us. Join us on February 22-23 as we kick off our missions for the year. On Saturday we will meet at the church at 9am and begin work in our community garden. This is a project that will allow us to use some of our space around the church to create areas where we can grow fresh food for people that do not have this resource available. On Sunday we will celebrate both past, present and future missions in worship and then have lunch following church that will highlight all the ways to be involved around St. Luke's. Join us for our Mission Weekend.

ASH WEDNESDAY

Wednesday, February 26

Ashes at Whataburger (7:00am)

Evening Worship (6:00pm)

The Lenten season is almost here and begins on Wednesday, February 26 with our Ash Wednesday Service. This is a service where we begin preparing ourselves for Jesus Journey to the cross and the eventual resurrection of Easter. While Easter is a day of celebration, Ash Wednesday is a quiet and reflective service. It is a time when we are challenged to explore the things in our lives that keep us from a deeper faith and to work to remove these things from our lives. I encourage you to join us for the Ash Wednesday Service.

SPRING SHORT-TERM BIBLE STUDY

Sunday's, February 9-March 8

Our Spring 5-Week Study is coming up and we have several studies to offer. We will have lessons for children, youth and adults. This Spring we will have two adult Bible Studies for you to choose from.

Ready to Launch

Leader: Pastor Ben

Do you feel like life is busy and you are struggling to slow down? Are you trying to figure out how to juggle work, children and all of life's other demands? Join us during this study as we look at scriptural approaches to how we can be present in every moment and be good models for our children and teens.

Ephesians

Leader: George & Sue Jones

Study Scripture with N.T. Wright! Have you noticed how sometimes you have a story in the back of your mind that keeps coming up, even when you're talking about something else? In Ephesians, throughout its worship, prayers and instructions for living, Paul can't contain his joy and amazement at the larger story of God's plan to save us in Jesus the Messiah. These eleven studies from N.T. Wright will help us see the significance of our role in God's grand narrative, and encourage us to live more fully as people who are lavishly loved by God.

Sr. High Youth

No matter how you define *freedom*, it's probably something you want. Because freedom allows you to truly live as you truly are.

Now think about this: What would freedom look like in your relationship with God? That's tougher to answer, isn't it? For most of us, God and freedom don't go together naturally. Our thoughts typically drift to words like *obedience*, *discipline*, and *good behavior*. And while those are great things, what if God actually wants something more for us? Something better?

That's what *Live Free* is all about: discovering something better.

This five-week Bible study will give you a glimpse into Paul's journey from religion to relationship. You'll discover how an encounter with Jesus forever changed Paul's view of God, other people, and the world.

Because of Jesus, Paul learned to live free.

And so can you.

Jr High Youth

The Jr High girls will be led by Misty Lewis and will be studying "Can You Relate?" dealing with how to handle relationships with parents, friends, boys, and most importantly God. The Jr High boys will be studying strong male role models from the Bible led by Trey Rathbun.

Children

The children will be learning about *Gadgets and Gizmos*, lessons filled with fascinating stories, interesting tidbits, and practical tips about God's creation, their uniqueness, and how to use their own unique creativity to love God and others.

USHERS/GREETERS NEEDED

Often times, the first person a visitor meets is an usher or greeter and upon that experience they will judge the entire ministry of the church. The ministry of ushering & greeting is to greet people with a smile, assist them in finding a seat, and answer any questions they might have. Greeting, seating, taking the offering, and distributing information are some of the tasks that are involved, but the ministry of the usher goes much beyond that. We are currently preparing the usher and greeter schedules for 2020. If you are interested in serving in this ministry please contact the appropriate coordinator or the church office.

Woman to Woman CONFERENCE *Warrior* MARCH 28 - 9AM to 1PM

Woman to Woman is our annual one-day women's conference at St. Luke's United Methodist Church. This is an amazing time set apart to be encouraged in the presence of God through worship, the Word, and community with one another. This year's theme is "Warrior".

- A Warrior stands up and helps lead others into battle.
- A Warrior may be weak, they may be scarred and scared, but they don't hesitate to stand up and fight because they know God is going to be with them.
- A Warrior wakes up every morning prepared for battle, waging the war against sin and death so that all might come to life in Christ.
- A Warrior is Fearless.
- A Warrior's victories may go unnoticed by the world.
- A Warrior wields the weapons of truth, prayer, and love.

LENTEN SERMON SERIES

A Holy Week

Have you ever wondered what it felt like to live through the last week of Jesus' life? To walk the streets as people shout 'Hosanna', to be in the temple as tables are overturned, to be in the courtyard as Jesus is condemned, to hide your eyes as Jesus is killed, to wait anxiously as he is laid in the tomb. Starting on March 1, we are going to begin our walk through Holy Week and experience the journey as Jesus and his disciples did. On March 1, we will celebrate Palm Sunday and then each Sunday of Lent we will move to the next day of the week until we make it to Easter. Make plans to journey with us through A Holy Week.

JOYS & CONCERNS

Please keep us updated on your loved ones. People will remain on this list for one month. Please let us know if they need to be on longer, 903-984-3576. The weekly prayer list is available at the welcome desk in the sanctuary.

Thank you to all who helped and prayed for our youth at the RISE conference! The Lost & Found and Seekers classes provided a delicious dinner for us. We had awesome chaperones: Alan Clark, Sherry and Robert Ellis, Daniel Shipman, and Amber Watkins.

WE EXTEND OUR SYMPATHY TO...

The family of **Vivian Patton**. Vivian passed away on January 2, 2020. Funeral services were held at St. Luke's UMC on January 8, 2020.

OUR CHRISTIAN HERITAGE

You may have noticed that there is something new going on in the Family Center. The confirmation class has been learning about our Christian heritage from Adam and Eve all the way to St. Luke's today. They have created a timeline as a visual representation of our history. The timeline will remain in the Family Center for a couple of months and the Confirmation class will be adding more to it as we make our way through our history. I encourage you to take a little time to check out the time line and all the information that goes with it.

SCRIPTURE READERS NEEDED

We are looking for volunteers to read scripture during the 10:30am worship service on Sunday mornings. If you are interested, please contact Carol Grimes or the church office to be added to the schedule.
