Children's SUNDAY SCHOOL

PRESCHOOL

Preschoolers: Did you know there are over 100 million love songs? Why so much interest in love? Well, it could be because God is love and God made every person in His image. We were literally made by love, to love and to be loved! That is why Jesus loves everyone, and why He taught us how we can love everyone, too. Jesus gave us so many examples of loving everyone while He was on earth, and we get to share them with our preschoolers this month. Jesus loves everyone, and we can love everyone like Jesus—that is what we want preschoolers to know. There's no better time in our world for children to hear this powerful truth. So, grab a party hat and a handful of confetti and let's get the party started!

ELEMENTARY

This month elementary kids will be learning about compassion, which is caring enough to do something about someone else's need. You can't show compassion without caring about others. Why should we care for others? Because God cares for you!

Memory Verse: "THE LORD HAS SHOWN YOU WHAT IS GOOD. HE HAS TOLD YOU WHAT HE REQUIRES OF YOU. YOU MUST ACT WITH JUSTICE. YOU MUST LOVE TO SHOW MERCY. AND YOU MUST BE HUMBLE AS YOU LIVE IN THE SIGHT OF YOUR GOD." **MICAH 6:8, NIRV**

4TH & 5TH GRADERS

SR HIGH BIBLE STUDY

The One

Where did the idea of finding "the one" come from? Doesn't it seem like a lot of pressure when you're just trying to figure out relationships in the first place? In this series, for those who are currently dating and those who aren't, we'll focus on becoming the kind of person you're looking for, how to approach dating in a healthy way, what to do with a breakup, and the way to keep a clear perspective when it comes to dating.

"The thief's purpose is to steal and kill and destroy. My purpose is to give them a rich and satisfying life." **John 10:10 NLT**

~Misty Shipman

JR HIGH BIBLE STUDY

Real Talk is a series designed to help middle schoolers take steps toward having real, honest conversations about sex and relationships. While students in this phase will approach this topic from different places, the goal is to help them discover God's truth about sex and relationships and how that applies to their lives, both now and in the future. Though they may feel awkward or uncomfortable, it's important to keep the conversation going, especially in a safe space like church!

MEMORY VERSE "The thief's purpose is to steal and kill and destroy. My purpose is to give them a rich and satisfying life." **John 10:10, NLT**

~Niki Chowdhury

Parents, check out the series devotionals on the YouVersion Bible App and follow along with your students! Just search for "Real Talk" in the "Plans" section of Bible.com or in the YouVersion Bible App. Challenge your students to complete the plans with you, and share what you're learning through the devotionals.

SOUPERBOWL OF CARING

February 13

The youth will be participating in the Souper Bowl of Caring on Super Bowl Sunday. We will be outside of the Sanctuary following the 8:30 and 10:30 church services to collect non-perishable food items and money to fight hunger in Kilgore. 100% of money and food collected will go directly to Helping Hands.

MUDBUGS HOCKEY GAME

March 11

Deadline to reserve tickets is February 15

7 GENEROSITY

Generosity is defined as the quality of being kind with your resources and abilities. Generosity is not simply about giving one time, but instead is a pattern set up in your life, of giving with everything that you have. This is not limited to just your financial resources but also your time and gifts. As we work through the month of February, we are going to be looking at what it is to give generously and how Jesus calls us to be generous. We are kicking off February with our Mission Weekend. This included Serve Day on February 5, and Mission Sunday on February 6. Serve Day is a great way to be involved in our community and around our church campus. We will have several projects for people of all ages and skill levels to take part in. On Mission Sunday we will celebrate the missions that we are engaged in as well as look forward to the year ahead. One of our primary focuses for the upcoming year, in both our financial giving and our physical service, is to focus on working with our students that are still struggling with the aftermath of the pandemic. Cynthia Mathis is a member of our Mission Team but also works in the school system and offered up this reflection.

"Just a dollar a day, less than the price of a cup of coffee, could save the life of a child, I remembered these commercials from years ago when Mission Team was mentioned in church. I pictured books, water, food, scripture shared in foreign languages in distant places. Then Monday came, and there was a child with no backpack or supplies dropped off for their first day of school, another that needed to shower in the locker room and have his clothes washed so that he would not spend his day soiled and disheveled. These were not children in a distant place, not people from a third-world country; these were our neighbors. Children we pass on the street. We have all been impacted by the pandemic, closures, and sickness, but there has also been an increase in homelessness, domestic violence, and abuse during this time. Many of the children in our community suffer from food scarcity in the best of times; these are not the best of times. St. Luke's has long participated in a backpack program that sends home a bag of food with children on Fridays. Food that does not require a microwave or a can opener, food that the child can prepare and serve themselves. This is the only food in the home over the weekend for some. Church members have gone to campuses and read with struggling students, becoming mentors and adult cheerleaders for children that may not have many on their side. We have worked with Rahab to support women and children in our community. While the last few years have been more about social distancing than social support, the need in Kilgore has only increased as the focus has been driven inwards towards our health and safety.

I was excited to mission to people in need, share the blessings that God has given, and try to change a life. But I realized this week that it does not require an airplane trip. All around us, there are opportunities to share God's love, and the children in our community have never been as in need of support and comfort as they are now. November was a time for us to be thankful for all of the blessings that we were given; December was a time to surround ourselves with friends and family; perhaps now is the time to look outward, to use those gifts that we have been given to change the life of a person down the street. Now is the time to put those blessings to use to serve God and our community. This year we can dedicate ourselves to shining God's love into the lives of those around us that have too long been in darkness. How will you share your gifts, your blessings, with those around you? How will you challenge yourself this year to help those in need? How will you bring someone closer to God by sharing his love through your actions? Each of us can create a real change in the life of a child, but together we can support our community.

Senior Pastor

Carla Branson

Carla has been a member of St. Luke's since 1999. She is currently serving her last year on the Board of Stewards. Every Sunday you can find her taking Sunday School attendance and collecting Sunday School contributions. When Carla moved to Kilgore, Keith & Paula Hooks introduced her to St. Luke's. She says that St. Luke's is important to her because it is a place to feel a part of something and the spiritual guidance it provides. Carla's family includes 2 stepdaughters, 5 grandchildren, & 8 Great-grandchildren.

Help us celebrate Carla and all she does to support St. Luke's UMC.

CELEBRATING
90
YEARS

ST. LUKE'S

United Methodist Church
Sanctuary & Alexander
Education Building

Built in 1932

DID YOU KNOW?

Originally the St. Luke's Sanctuary had a baptistry where fully immersed baptisms were held. The baptistry was removed in the 1950's to make room for the Aeolian-Skinner Organ.

We are excited to be celebrating 90 years of ministry in our Sanctuary and the Alexander Education Building. All year long we will be highlighting people, ministries, events, and programs that have been a part of the rich history of St. Luke's. Follow us on Facebook & Instagram for weekly heritage highlights and stay tuned for information about upcoming Heritage events and celebrations.

We are also looking for photographs to share. If you have photos of weddings, baptisms, worship, or events in the Sanctuary please share them with us. Photos can be sent to office@stlukeskilgore.org or dropped off in the church office.

1.

Community helps us grow.

One of the most exciting, and sometimes frustrating, elements of the spiritual journey is that it is a journey.

2.

Community keeps us consistent

Let's face it, life happens. A new job, struggling relationship or exciting hobby can distract us from our daily relationship with Christ.

3.

Community supports us in times of need

One of my favorite elements of (some) churches, is seeing the wealthy and poor worshipping and fellowshiping together. There are few places as able to level the playing field as a house of worship.

4.

Community allows us to accomplish more

You may be able to buy a meal for a homeless person on your own, but you can't eliminate homelessness from your city by yourself. However, you just might be able to do it with the help of a church community.

5.

Community helps us learn to love

Some people are harder to love than others. Many of these people probably go to your local church. It's effortless to love people who are pleasant and easy to get along with. God asks us to love the annoying, the critical, the egotistical, and the insecure.

DO ALL THE GOOD YOU CAN.
BY ALL THE MEANS YOU CAN.
IN ALL THE WAYS YOU CAN.
IN ALL THE PLACES YOU CAN.
AT ALL THE TIMES YOU CAN.
TO ALL THE PEOPLE YOU CAN.
AS LONG AS EVER YOU CAN.

John Wesley / @InspiringThinkn

THE

CROSS
& Flame

When The Methodist Church and the Evangelical United Brethren Church merged in 1968 to form The United Methodist Church, the new church adopted the "cross and flame" symbol. This emblem, which is seen on church signs around the world, illustrates that United Methodists relate to God through Christ (the cross) and the Holy Spirit (the flame). The two tongues of fire that come together as a single flame symbolize the two churches that came together to form The United Methodist Church. The flame also reminds United Methodist of the experience that John Wesley (the founder of Methodism) had in 1738 while listening to a preacher at a meeting on London's Aldersgate Street. Wesley felt his heart "strangely warmed" and knew that he had been saved by God's grace.
