Children's SUNDAY SCHOOL

PRESCHOOL

This month, our preschoolers will be talking about their BFF—Best Friend Forever. Have you ever called someone your BFF? Maybe just the sound of it has you thinking of someone right now. It's hard to be a BFF, even with the best of intentions. It's hard for you and me, but not for Jesus. Jesus is the one friend who not only wants to be our friend forever, but He can actually keep up His end of the promise. And, He went through a lot to make it possible. That's why, this month, we are sharing the Good News with preschoolers that Jesus wants to be my friend forever. Your friend. My friend. Their friend. Everyone's friend—forever! The best things that go together are my friend, Jesus, and me. And nothing, not even death, can come between us and His promise, because we go together forever and ever.

Memory Verse: "I AM WITH YOU ALWAYS."
MATTHEW 28:20, NIV

ELEMENTARY

The Elementary kids will learn about the connection between HOPE and God's character. Life can sometimes feel like a giant puzzle. All we can see is the piece we're experiencing right now, and we're not sure where it fits into the greater picture that is forming. We can't always understand why some things happen to us or those we love. Yet, despite our confusion, we can have hope. God has kept promises throughout history. We can believe that God will continue to be with us through what we face now. Even in the toughest times, we can have hope because we know God is always working and can make something good out of something bad.

Memory Verse: "IN THIS WORLD YOU WILL HAVE TROUBLE. BUT BE ENCOURAGED! I HAVE WON THE BATTLE OVER THE WORLD." **JOHN 16:33B, NIRV**

SR HIGH BIBLE STUDY

This month we'll wrap up our Lenten study, Prism, and begin a new series titled Thoughts & Prayers. In this new series, we'll discuss the simple power of honesty and authenticity when it comes to our personal experience of prayer. It seems like everyone is sending thoughts and prayers nowadays, doesn't it? Just because this idea is common doesn't mean it's comfortable. Haven't we all wondered if we're even getting this prayer thing right? After all, is there even a wrong and right way to pray? Through this study we'll see that prayer is far less complicated and far more powerful than they may have thought.

Remember this: "Anyone who listens to my teaching and follows it is wise, like a person who builds a house on solid rock." **Matthew 7:24 NLT**

~Misty Shipman

JR HIGH BIBLE STUDY

Your middle schoolers are exploring who Jesus is, what He did for them at Easter, and what it means for their lives today in a new series called Who Is Jesus? Each of us approaches faith with a different worldview, and that can sometimes make understanding the message of Jesus difficult. This series explores that message from several different perspectives, introducing students to what Jesus has done for us in a number of ways to reach a number of worldviews.

~Niki Chowdhury

Parents, check out the series devotionals on the YouVersion Bible App and follow along with your students! Just search for "Real Talk" in the "Plans" section of Bible.com or in the YouVersion Bible App. Challenge your students to complete the plans with you, and share what you're learning through the devotionals.

Meet our BOARD

Gabrielle Frachiseur

Gabrielle and her husband Ethan have two daughters, Emallyn Galvan (7) and Freya Galvan (4). Their family has been worshipping with us for two years. She is a member of the Young Adult Group, the JAM (Just Among Moms) Group, and leads the Outreach Team. Gabrielle and Ethan both grew up in the United Methodist Church, so St. Luke's was their first choice when selecting a new church in Kilgore. She feels that the church is an important part of raising her children and has grown in her faith by being involved in ministry. Make time to let Gabrielle know how thankful we are for her service to St. Luke's.

ST. LUKE'S Shout Out

Thank you Leah Gillen-Hall and Jackson Aguilar for serving as acolytes in the first service! Mr. James trained them on what to do and the importance of bringing in the Light of Christ. This is a great opportunity for older children to serve in worship. If your child is interested, please contact Niki Chowdhury or Carolina Bryant.

ST. LUKE'S Spotlight

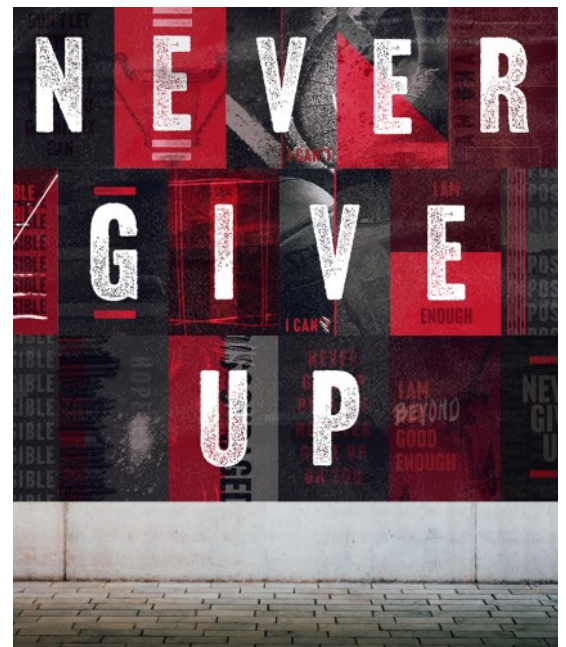

Hi Church Family ,

I want to give a huge shout out to my beautiful counters . None of which wanted attention so here I will spotlight them all ! I am blessed to meet with them every Monday as they sort out all that comes in . We laugh and love on each other in this short amount of time and I believe they bless us as a body of Christ. Some of these woman paint and teach Effortlessly, others are here faithfully to sign checks, fold newsletters and encourage .

These woman are from all walks of life with a common purpose to see the body of Christ grow and love the unlovable.

You Women know who you are and I love each of you . If you would like to meet them as well, we meet at 12:30 each Monday in my office .

Scarlett Hartsell
Finance Secretary

HERITAGE

Highlights

Lots of beautiful music has been made in the St. Luke's Sanctuary over the last 90 years. Check out this photo of our Handbell Choir from the 80's.

Children have always been an important part of the life of our congregation. We love seeing children in our sanctuary, singing in the Children's Choir, at Children's Moment, and learning to love God. Do you recognize any of these children from the late 1980's?

Our iconic bell tower was named for J.A. & Mary Knowles in honor of their many years of service to St. Luke's. Mary Knowles, affectionally known as "Mollie", was the driving force behind the building of the new Sanctuary in 1915. She was also the longtime music leader, taught Sunday School, and participated in Women's Ministry. J.A. Knowles served in many areas of leadership in the church, including leading the Building Committee that built our Sanctuary & Alexander Education building. Most notably Mr. Knowles created an endowment fund in memory of his wife. The J.A. and Mary Knowles Endowment fund is still leaving an impact on the lives of Methodists today. St. Luke's receives a yearly residual from the fund and the United Methodist Church receives funds to administer a nationwide Educational Scholarship. Administered by the General Board of Higher Education and Ministry (GBHEM) Office of Loans and Scholarships, the J.A. Knowles Scholarship is awarded annually to students who spent their high school years as residents of any orphanage, children's home or foster care in Texas. It is a generous scholarship that offers significant assistance in helping students fund their education.

11 LOOK WHAT WE DID!

Our Youth and kids started off Lent by receiving their ashes from pastor Ben and sharing breakfast together at Whataburger. Big thank you to Jack Moore for inviting us to provide this opportunity at Whataburger every year.

Two members of our Confirmation Class, Sadie Tuck & Presley Thompson enjoyed a weekend at Confirmation Camp. The students and their adult chaperone, Jennifer Powell, spent a weekend at Lakeview Methodist Conference Center with other confirmation students from around the Texas Annual Conference. The students enjoyed crate stacking, a silent Disco, worship, and great lessons about the United Methodist Church and what we believe.

St. Luke's UMC is a congregation that I will never forget. As a newly Ordained Pastor, you welcomed me and my family into this congregation. You gave me an opportunity to learn and grow as we experienced ministry together. We have celebrated together, grieved together, and lived a lot of life together. We have seen unexpected experiences, like the pandemic, come our way, but St. Luke's UMC is still doing great ministry in this community.

It is with bittersweet emotions that I announce that Bishop Scott Jones and the Cabinet have appointed me as the Senior Pastor of Faith UMC in Spring, Texas, beginning July 1, 2022. While we are excited about the opportunity, we leave behind many great memories and a congregation that has supported me and my family. We are incredibly grateful for our time at St. Luke's UMC. Our journey together is not over yet, while we are moving that will not take place for several months, and I am still excited to continue our journey together until then.

I am extremely grateful for my time at St. Luke's and for your openness to do ministry with me and my family.

Rev. Ben Bagley
Senior Pastor

A MESSAGE FROM *the Board*

With Rev. Ben Bagley being assigned to Faith UMC beginning in July, Rev. Karen Jones, our District Superintendent, has been diligently searching for a pastor that will continue the ministries of St. Luke's. That process began with the Board of Stewards collectively creating a profile of qualities and expectations that would benefit the congregation. After much discussion between Superintendents of other Districts, Rev. Jones narrowed down the search and presented her top pick to the Board during a specially called meeting Sunday afternoon. The Board has accepted the assignment of Rev. Dr. Allison Andrews as minister beginning in July.

Dr. Andrews is a graduate of Robert E. Lee High School, Southern Methodist University, Perkins School of Theology (Master of Divinity), and Graduate Theological Foundation (Doctor of Ministry in Applied Ministry).

The Board of Stewards is looking forward to welcoming Dr. Andrews into the congregation and the ministries of St. Luke's.
